1. The following is an Examiner's Statement of Reasons for Allowance:

Applicant's appeal brief filed on 08/16/2006 is considered. An appeal conference was held, the entire arguments presented in the appeal brief were discussed and deemed persuasive to overcome the Schmandt reference used in the final rejection of 02/17/2006. Updated search was conducted on the specific claimed invention regarding audio user interface for associating audio labels or audio cues or earcons with different services associating different sound sources, however, no additional pertinent prior art was located. It is therefore deemed the instant claimed invention is allowable.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Xu Mei whose telephone number is 571-272-7523. The examiner can normally be reached on maxi flex.
